#### **Mission Statement**

Entrusted by its citizens, the Village of Campton Hills is dedicated to delivering municipal services in the most responsive, cost effective and efficient/proficient manner. Campton Hills is committed to upholding high quality of life standards by supporting its school districts, maintaining family values and agriculture traditions, preserving natural resources, encouraging environmental stewardship, supporting passive and active recreational opportunities, honoring rural heritage and generating a strong business foundation for present and future residents and visitors.

#### **Vision Statement**

Residents of the Village of Campton Hills wish to maintain the semi-rural quality of their environment and its associated lifestyle. They wish to control their own destiny, act so that property values increase over time at a greater rate than market averages and ensure the continued excellence of the schools that educate their children.

The Village of Campton Hills will be an aesthetically appealing, fiscally viable, family-oriented community striving to provide excellent educational, social, recreational, and cultural opportunities. The Village will foster a strong residential and business community, with concern for ecological stewardship while cooperating with other governmental bodies and agencies. Campton Hills will also work with area school districts to provide an exceptional education for their children. Campton Hills will strive to be an inviting and safe community that provides for the quality of life needs of its residents while preserving its character and heritage.

This supporting information is being provided for the following agenda items:

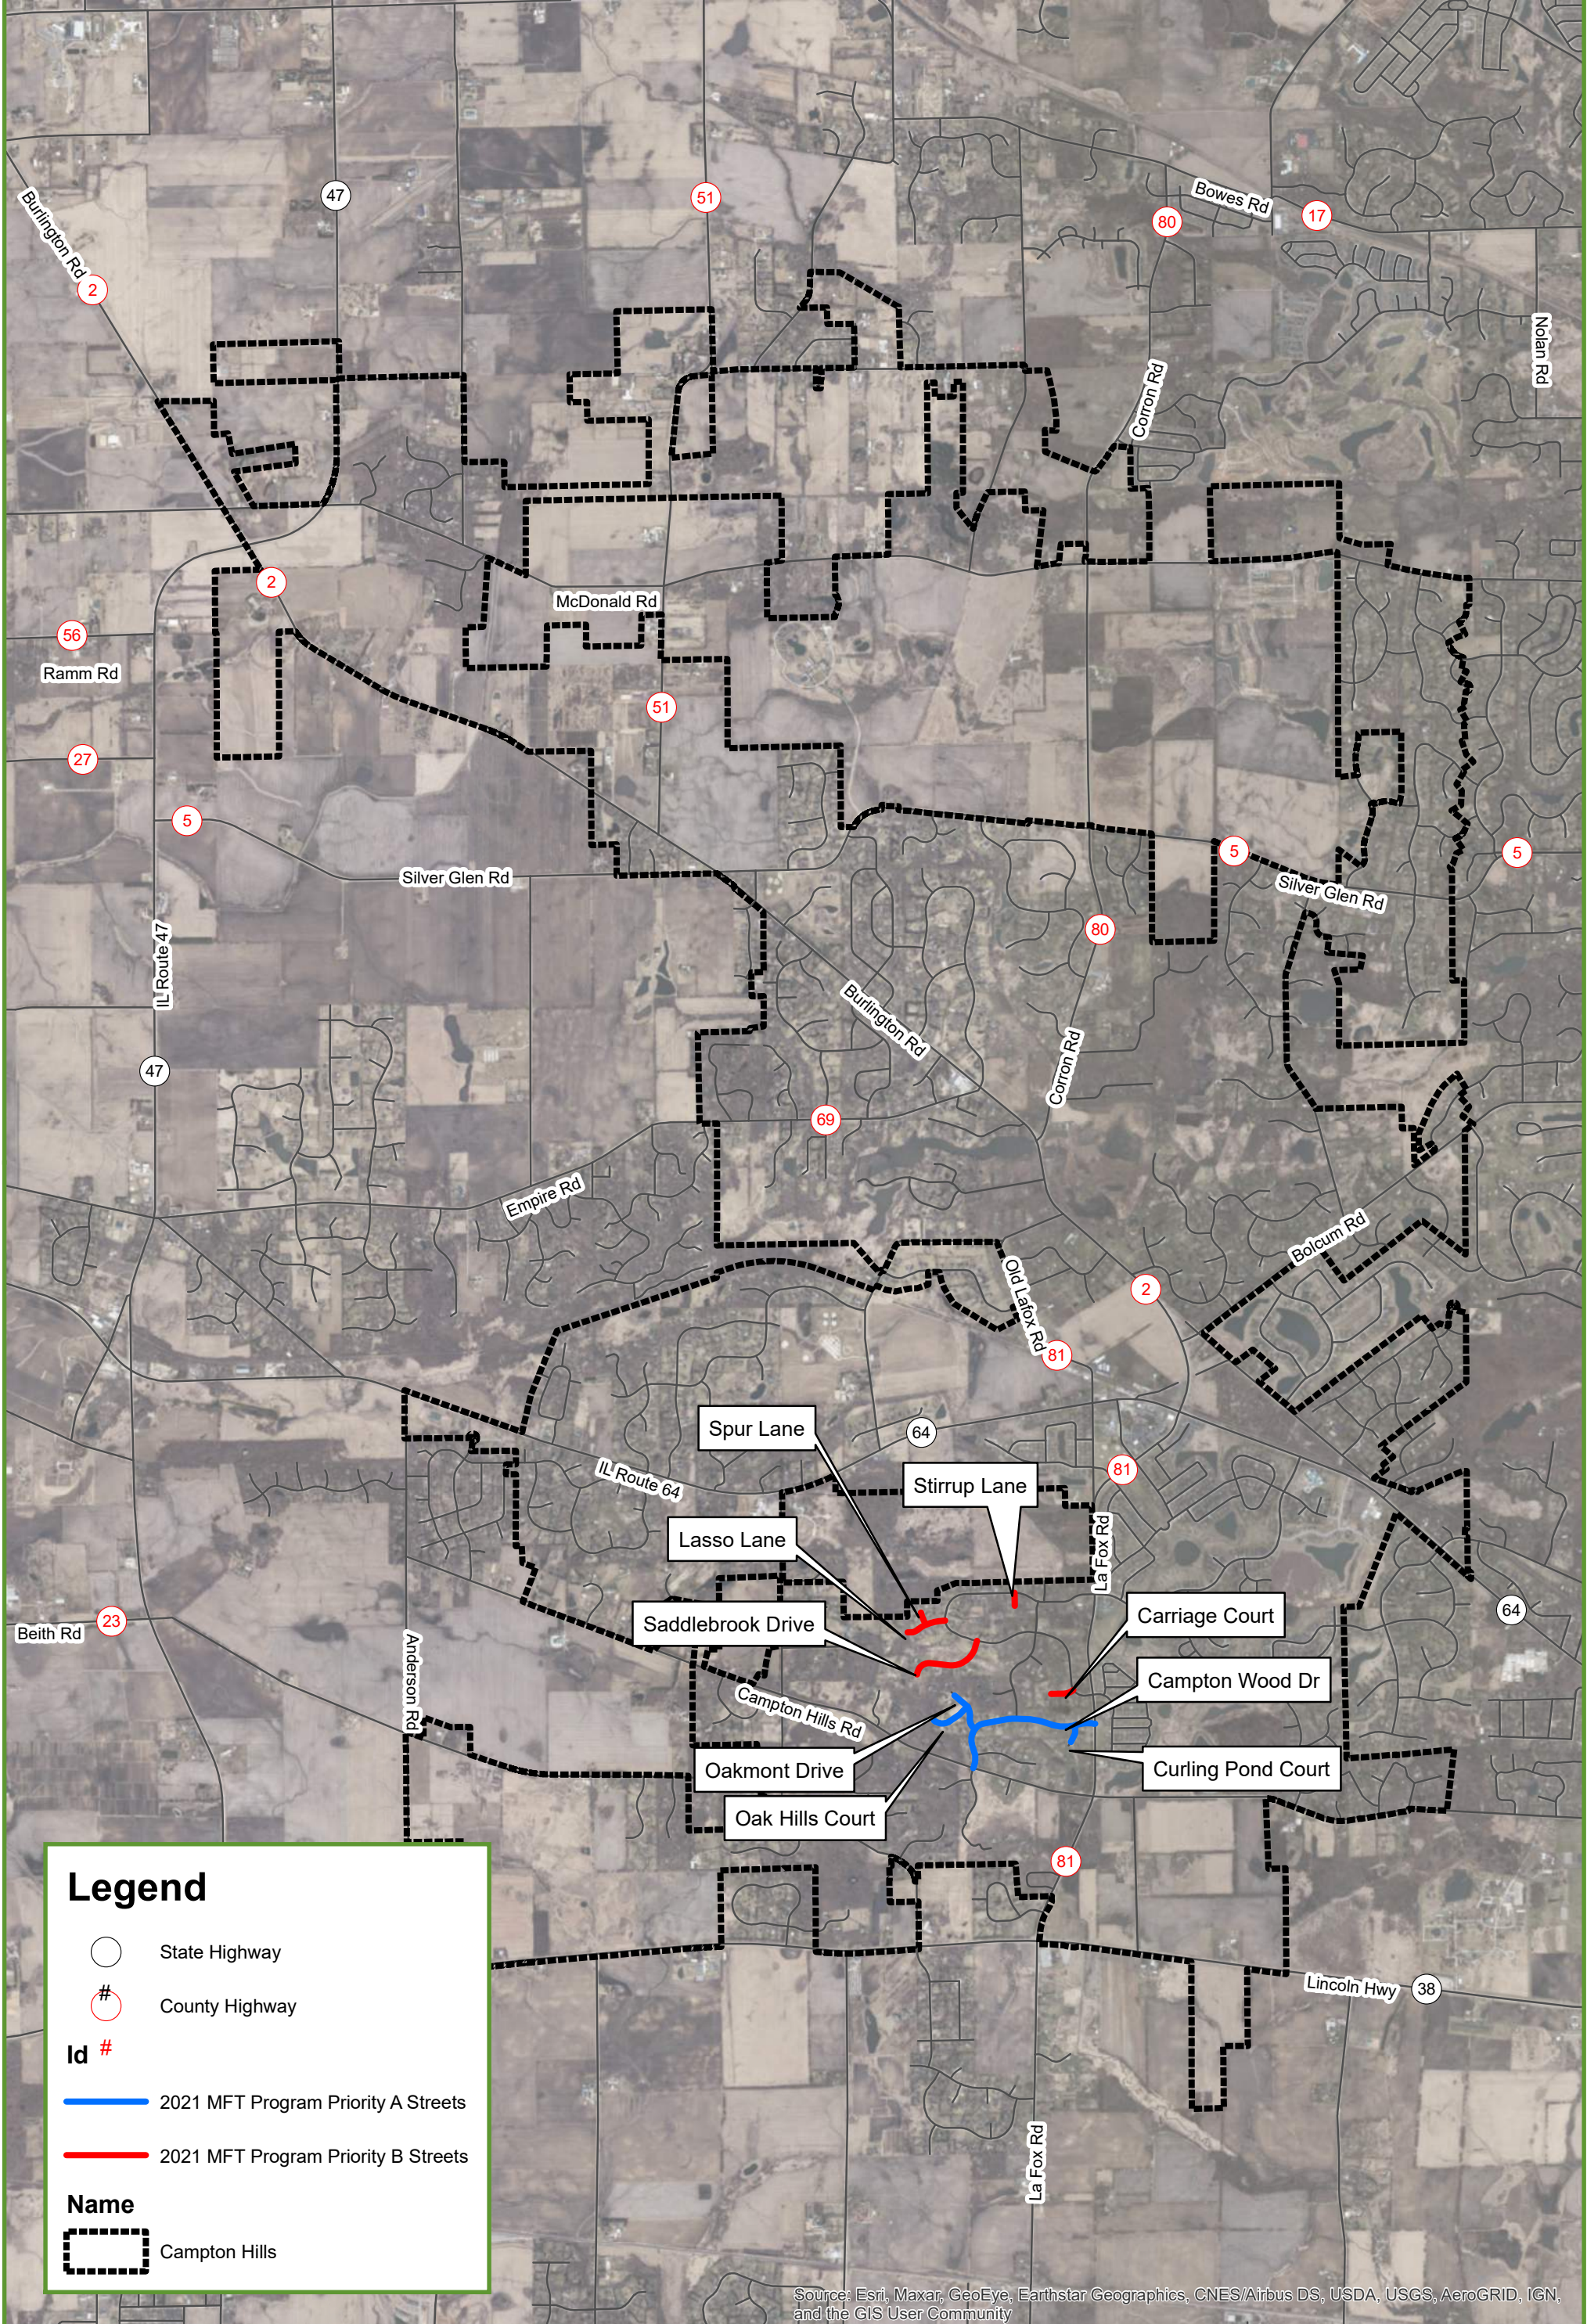

- 4.1.a FY 2021-22 MFT Resurfacing Project
- See attached exhibit showing the proposed roadways for the 2021 MFT-funded Resurfacing Program.
  - The roadways selected were the outcome of the Pavement Evaluation Process, the desire to finalize improvements in neighborhoods, and per direction from Campton Township Highway District
  - A design contract proposal is on April 8<sup>th</sup> VB agenda for discussion/approval
- 4.1.b Rebuild Illinois Bond Fund
- \$122,262.78 first payment was received May 2020 and second payment was received fall 2020
  - These are the first of six approximately equal payments scheduled to be received bi-annually through the end of 2022 (2 each year)
  - Fund use is restricted to long-term bondable transportation projects that improve quality of roadways. This typically requires thicker pavement sections than have historically been used for mill/patch/resurface projects, so projects will be heavier travelled collector roadways or extremely deteriorated residential roadways.
  - On February 15, 2021, the required Notices of Intent were submitted to IDOT for the use of these bond funds on Denker Road and on Town Hall Road, as per direction from the February 3<sup>rd</sup> Special Public Works Committee meeting
- 4.1.c Anderson Road – RT 38 to RT 64
- This is a joint Village of Campton Hills (18%) and Campton Township Highway Department (82%) project jurisdiction
  - STP application was submitted March 2020 and approved October 2020
    - \$727,577 federal funding for 75% of construction expenses is approved
  - Federal funding is programmed in FY 2021 construction, so the project needs to go to bid no later than November 2021
  - Phase I and Phase II Design Engineering through Campton Township Highway District was approved on August 27, 2020
  - Phase I Engineering is underway, and the IDOT project kickoff coordination meeting was held December 2, 2020
  - Quarterly status reports were filed with KKCOM in December 2020 and March 2021 and will continue to be filed until the project bid has been awarded
  - A Phase III Construction Engineering contract will be submitted for Village / Highway District consideration fall 2021

4.1.d Roadway Classification Requests

- A proposal for classifications requests for Town Hall Road, Fox Mill Boulevard, Brown Road, Beith Road and Denker Road has been submitted to the Village Board for their consideration, as per the recommendation from the February 3<sup>rd</sup> Special Public Works Committee

4.1.e Five-Year Draft Improvement Program

- This was presented at the February 3, 2021 Special Public Works Committee Meeting
- This was presented at the February 23, 2021 Joint Public Works and Finance Committee meeting
- Future action is pending direction from the Finance Committee and the Village Board
