ZONING

- Draft Zoning Ordinance: The February 24th meeting was canceled due to lack of quorum. The next PC/ZBA regular meeting will be held on March 23rd. A compilation of the final PC/ZBA comments on the draft text and map will be presented for discussion. Staff is in the process of determining the date(s) for the final public workshop(s).

FOLLOW-UP ITEM

- ZIP Code Project: With the aid of the Kane County GIS team, staff has obtained a current electronic copy of all the addresses within the corporate limits. This is the first step toward establishing a “preferred third line” with the Post Office. Once the Post Office has input this data, the Village can proceed with a formal inquiry for a unique ZIP code.
