Dear Chief Anderson

On April 12, 2008, St. Charles Police Department responded to a large fight at Pheasant Run Resort. Initial responding officers found damage, chaos, and a very energized engaged crowd. It was clear from the onset that additional help was needed. With the assistance of Tri-Com dispatch, an I-REACH request was made and help responded.

The large police presence from responding officers helped to regain control of the situation. While some of the unruly crowd continued to try to provoke trouble, the officers established a tone that diminished the problem.

It is great to know that we have this assistance available. Thanks for your help; please extend our appreciation to those who responded.

Sincerely,
