

# CAMPTON HILLS POLICE DEPARTMENT

Daniel N. Hoffman, Chief of Police

---

Cynthia Derrico  
41W001 S. Bridle Creek Dr.  
Campton Hills, IL 60175

02/22/2011

Ms. Derrico:

Campton Hills police officer Tom Blincoe advised me that on 02/21/2011 he was investigating a traffic accident, the result of a head-on collision at Campton Hills Rd. & LaFox Rd. He stated that as a result of the accident the occupants of both vehicles suffered serious injuries. He stated that you stopped to render aid to the injured parties at the accident, offering your expertise as an operating room nurse. Officer Blincoe advised me that your assistance was very beneficial and greatly appreciated.

I want to personally thank you for taking time out of your busy schedule to stop and render aid in this incident. Too often people are reluctant to lend assistance for various reasons, sometimes out of sheer selfishness or fear of future litigation. The fact that you stepped up to offer your assistance is sincerely appreciated by the Campton Hills Police Department, and I'm sure, the victims of the accident. Given our rural location, it is especially imperative for off-duty professionals to assist when the opportunity arises, given the limited nature of resources available.

Again, I want to sincerely offer my appreciation for your assistance.

Sincerely,

Daniel Hoffman  
Chief of Police
