Dear Mr. Grubek,

It is with sincere appreciation that I would like to recognize you, this 18th day of March, 2008, at the Village of Campton Hills board meeting, for your assistance to the Campton Hills Police Department.

On March 2nd, 2008, you witnessed three offenders doing damages to mailboxes in the area who had parked their car in a driveway. Thinking quickly, you were able to get your vehicle and block the offender's car from leaving the scene, thus preventing their escape by car. You also notified the police and the Campton Hills Police arrived a short time later.

Any police department is only as effective as the public that they serve. In the early 1800's, Sir Robert Peel wrote that "the police are the public and the public are the police." This continues to be true even today. Without your assistance and quick thinking, the offenders in a series of damages to mailboxes may have gotten away. The investigation to date has found 34 mailboxes that were damaged by the offenders. I am sure that all of the victim's who had damage done to their mailboxes are very appreciative of your efforts.

The Campton Hills Police Department would like to publicly recognize you for your assistance and being a responsible resident of Campton Hills.

Sincerely,

Gregory J. Anderson
Chief of Police
