ZONING

- **Draft Zoning Ordinance Public Comments**
We continue to receive feedback on the draft ordinance, mainly concerning the clarification of what is permitted now versus what is permitted in the draft. The main topics for which we are receiving feedback are: number of animals per acre; home-based businesses and the storage of recreational and commercial vehicles in residential districts.
- **Unique ZIP Code**
Staff is working with the Central Illinois District of the U.S. Post Office to (re)-initiate a request for a VCH unique ZIP code. If VCH does not meet the criteria, it can obtain a “preferred third line” for all of the addresses within the Village boundary. The preferred third line would make it easier for residents to designate “Campton Hills” on personal identification.
- **Update on Kane County Application for Zoning Map Amendment/Special Use for the Property Located at 9N983 Dittman Road/ Elgin**
This matter was on the December 10, 2019 County Board Agenda; but it was pulled from the Agenda at the request of the Applicant, in light of the concerns raised by the Village of Campton Hills. A new date for County Board consideration has not yet been determined.
