Re: Tuesday Night, August 3, 2010

I know I am slow writing this letter, but there's not a day that has passed since then, that I have not thought of officer James Liepins #111, and officer Koffenberger #113. I don't know where my husband or I would be without them. I called at 11:00 PM. By 12:08, Lake Bluff Police called to say she had him.

Officer Liepins and officer Koffenberger were so kind and helpful, but also very efficient and worked so well together.

They made me feel that they really care and I hope you keep them in mind when you give promotions -

Sincerely,  
Kathryn Sforzats
