Dear Officer Johnson,

We cannot thank you enough for coming to Wasco School on your day off and spending time with Den 12!! The boys thoroughly enjoyed themselves. They particularly liked being able to ask you so many questions.

I was very impressed with your interaction with the boys. You really listened to their questions and stories and always had a positive response.

Thank you again for giving our Den such a great impression of the Campton Hills Police Department and giving your time to us.

Colton Sincerely,

Gus Lee
