Unit B
Campton Hills, IL 60175

RE: Officer Robert Reichardt #102

To Whom It May Concern:

I want to take a moment and compliment the new Police Department, and in particular Officer Reichardt.

On Sunday, February 3, my daughter called with a flat tire on Silver Glen, east of Corren Road. Upon my arrival, Officer Reichardt was on the scene, and advised me her car was not visible to oncoming traffic due to the rise in the road, and he was there to protect her.

During the time I changed the tire, he remained, and I can assure you I would not have been able to safely change the flat had he not remained.

As a 20-year resident of Campton Hills, I want to thank you for caring enough to remain on site to insure our safety. I appreciate the "protect and serve" part of the law enforcement mission, and experienced it first hand.

Thank you,

Al Scionti
