

BUILDING

- A total of 31 building permits were issued in September, the breakdown for which is illustrated below:

- Two “stop work” orders (driveway and home remodel) were issued, and the projects were properly permitted within 24 hours.
- Chime & Stave (new restaurant at Campton Crossing on the site which was formerly known as “Stevie D’s”) will hold their grand opening on October 17th.
- Circle K sign/lighted canopy will be scheduled for re-inspection at night, for compliance with the Dark Skies Ordinance.
- 40W441 IL RTE 64, is currently being remodeled. It had previously been cited for nuisances and structural hazards since at least 2014.

ZONING

- The first meeting for the draft zoning code was held on October 9th. Consultant, Arista Strungys of Camiros, Ltd., made a presentation of the draft document. Attendance was light. The public input meetings will be held on October 23rd; November 7th, and November 18th at the Campton Township Community Center at 7 p.m.
- Oversized draft zoning maps are on display at the Village Hall.

STORMWATER – FOXFIELD SUBDIVISION

- The Village and CTHD continue to work together to resolve the flooding in the Foxfield subdivision. Residents have been advised to perform long overdue maintenance, *i.e.* “jetting” the drain tile. Another resident has been instructed to remove earthen impediments from the drainage easement along his property line.
