## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is established between the County of Kane, Illinois ("County") and the Unit of Government listed below for the purpose of sharing digital geographic information.

The County and the Unit of Government listed below agree to exchange digital geographic information subject to the following understanding and may continue to do so as long as both parties deem such exchange to be beneficial, without further written agreements.

1. This Agreement does not constitute a transfer of title or interest in the digital information.
2. All information is provided on an as-is basis, with no guarantee of accuracy, completeness or currency, and at no cost.
3. Provided information will not be used as a base for engineering design, or as a substitute for on-site survey for regulatory functions.
4. Information received from the other party will not be sold, given or distributed in digital form to any other person or entity, or placed on a public Internet site without written permission from the provider.
5. Map products may incorporate information received from the other party, but may not consist exclusively of data received from the other party. A citation shall be placed on any map product, which includes information from the other party acknowledging the source and date.
6. Both parties agree to share the data in the format they use internally, without translation.
7. The receiving party will not alter the provided information in any manner.
8. All sub-contractors to or for the public body must adhere to these requirements.
9. Either party upon a thirty(30) day written notice may terminate this Agreement. Upon such termination, each party must cease use of shared data and return same to the originating party.
