

**RESOLUTION TO APPLY TO PARTICIPATE IN THE
NATIONAL FLOOD INSURANCE PROGRAM (NFIP)**

WHEREAS, certain areas of the Village of Campton Hills are subject to periodic flooding or flood-related erosion, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of federally-subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is in the intent of the Corporate Authorities of the Village of Campton Hills to require the recognition and evaluation of flood or flood-related erosion hazards in all official actions relating to land use in areas having these hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to 65 ILCS 5/11-12-25 and 65 ILCS 5/11-13-1 et seq.:

NOW, THEREFORE, BE IT RESOLVED by the President of the Board of Trustees of the Village of Campton Hills that:

Section 1. The Corporate Authorities of the Village of Campton Hills :

1. Assure the Federal Emergency Management Agency that the Village will enact as necessary in those areas having flood or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions, including:
 - a. Requiring permits for all proposed construction or other development in the Village so that the Village may determine whether such construction or other development is proposed within the floodplain.
 - b. Reviewing all proposed development in the Village to assure that all necessary permits have been received from those governmental agencies from which approval is required by Federal or State law.
 - c. Reviewing and maintaining all permit applications to determine whether proposed building sites will be reasonably safe from flooding.
 - d. Reviewing and maintaining all permit applications to ensure that any development activities are consistent with criteria set forth in Section 60.3 of the National Flood Insurance Regulations.
2. Vests the Zoning Officer of this Village or other official designated by the Village President, in cooperation with the county of Kane, with the responsibility, authority, and means to:

- a. Assist the Stormwater Administrator, at his request, in his delineation of the limits of the area having special flood or flood-related erosion hazards.
 - b. Provide such information as the Stormwater Administrator may request concerning present uses and occupancy of the floodplain or flood-related erosion areas.
 - c. Cooperate with federal, state and local agencies and private firms that undertake to study, survey, map and identify floodplain or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining floodplain and/or flood-related erosion areas in order to prevent aggravation of existing hazards.
 - d. Submit, on the anniversary date of the Village's initial eligibility, an annual report to the NFIP Administrator on the progress made during the past year within the Village in the development and implementation of floodplain management measures.
 - e. Upon occurrence, notify the NFIP Administrator, in writing, whenever the boundaries of the Village have been modified by annexation or disconnection, or when the Village has otherwise assumed or no longer has the authority to adopt and enforce floodplain management regulations for a particular area. In order that all Flood Hazard Boundary Rate Maps accurately represent the Village's boundaries, include within such notification a copy of a map of the Village suitable for reproduction, clearly delineating the new corporate limits or new area for which the Village has assumed or relinquished floodplain management regulatory authority.
 - f. Ensure that the Village's Flood Insurance Rate Maps are maintained and kept current by providing the Federal Emergency Management agency with any new or updated flood risk data or any modified data reflecting natural or man-made changes to the floodplain.
3. Designates the Zoning Officer, or other official designated by the Village President, to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certificates of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest floor (including basement) of all new or substantially-improved structures, and include whether or not such structures contain a basement, and if the structure has been flood-proofed, the elevation (in relation to mean sea level) to which the structures was flood-proofed;
 4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

Section 2. This Resolution shall be in full force and effect from and after its passage and approval pursuant to law.

Passed this 18th day of December 2007 by roll call vote as follows:
