

**VILLAGE OF CAMPTON HILLS
VILLAGE CODE AMENDMENT**

**AN ORDINANCE AMENDING TITLE 11, BY ADDING A NEW CHAPTER 2,
ESTABLISHING REGULATIONS GOVERNING THE
REGISTRATION, MAINTENANCE, SECURITY AND
MONITORING OF VACANT PROPERTIES BY THEIR OWNERS**

WHEREAS, vacant structures and properties, if left unattended, are likely to fall into disrepair, create public nuisance, drain Village resources, contribute to the decrease in value of surrounding properties, precipitate disinvestment by neighboring owners, provide locations for illegal activities and undermine the aesthetic character of the Village; and

WHEREAS, structures and properties that remain vacant over an extended period of time are detrimental to the public health, safety and welfare and can pose an extraordinary danger to police officers, firefighters and Village officials when entering the premises in response to emergencies or in the normal course of their duties; and

WHEREAS, vacant structures and properties often are owned or controlled by individuals or entities, including court appointed receivers, who should be responsible for the properties preservation; and

WHEREAS, the registration of these vacant structures and properties and the implementation of maintenance and monitoring plans will help encourage property owners and those responsible to properly maintain the structure and property, therefore preventing these properties from becoming a burden to the residents and tax payers of the Village and provide an impetus for returning these properties to their intended use and to the tax rolls; and

WHEREAS, the Corporate Authorities of the Village have determined that the abatement of nuisances caused by vacant structures and properties, the repair and rehabilitation of vacant structures and properties with a subsequent occupancy is in the best interests of the citizens of the Village, and further, the Corporate Authorities desire to enact an ordinance providing for the declaration of vacant structures and properties, whether or not boarded up, as public nuisances and providing for their abatement, is a means of maintaining sanitation, health and safety standards, preventing illegal activities, avoiding fires, and eliminating or minimizing the detrimental effect such properties have on the economic wellbeing of the Village.

NOW THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Campton Hills, Kane County, Illinois that:
