CTSWDD has a contractual agreement with Lakeshore Recycling Services.

The Campton Township Highway District offers seasonal brush pick-up with a schedule posted each year on their website www.camptontownship.com. Guideline information on their Brush Removal Program can be found by clicking on **Highway District** at the top of the Township homepage, then **Brush Removal** on the left side of the Highway District page.

Burning Brush and Snow Information

Burning Rules

- Brush is the only material that can be burned legally in most areas of the Village
 - Includes: tree trunks, limbs, branches and twigs
- Brush may be burned in two manners:
 - Recreational fires are allowed any time, as long as they are no larger than 3' x 3' x 3'
 - Larger piles of brush may be burned only under certain conditions:
 - Sunny Day
 - Between 9:00 AM and 3:00 PM
 - Wind Speed is less than 10 MPH
- Brush shall be dry when burned
- Burning is not permitted on public or private roads, alleys, sidewalks or easements
- Must be supervised
- Cannot be within 20 FT of any structure of property line
- A fire extinguisher or water source shall be available at the burning site
- It is the owner's responsibility to determine satisfactory conditions for burning.

Snow Removal

- Keep vehicles off the street until the weather event is over and your street has been plowed.
- Snow plows will discharge snow to the curbside of the street and inevitably into some driveways; if you can delay shoveling your driveway until the street has been plowed you will save yourself a lot of hassle.
- If your mailbox is accidently knocked over or damaged, please call the Highway District directly at (630) 365-9300.
